Size: 6 ¾" x 9"

Materials needed:

Felt – Orange, black, lime green, yellow
Green sequins or beads
Black beads
4 black pom poms
Large gold oval bead
Jumbo green rick rack
Coordinating threads
Embroidery floss – grey and dark orange

Instructions:

1. Use pattern to cut cat face, pumpkin, leaf and stem section, eyes, ear pieces, nose and mouth.
2. Using the pattern and the photo as a guide, sew the leaf section to the top of the pumpkin with a slip stitch. Sew the eyes, ear pieces, nose and mouth onto the cat or pumpkin pieces.
3. Sew green beads or sequins to the leaf section.

4. Using 4 strands of embroidery floss, embroider the cat's whiskers with an outline stitch. With 4 strands of the dark orange floss, stitch the pumpkin lines with long running stitches.
5. Sew black pom poms on the eyes. Sew the large orange bead for the cat's nose. Sew black beads around the edge of the cat's ears.
6. Arrange the cat behind the top edge of the pumpkin and sew together.

For bag:

Using the cat and pumpkin unit as a pattern, cut a back the same shape from black or orange felt. Align and pin edges and slip stitch the edges together, leaving the top edge of the cat open. Leave the back off for a wall hanging or a door hanger.

Hanger:

Cut green rick rack 15" long. Sew ends behind the top of the cat next to the outside edges of the ears.
